**Pictet & Cie (Europe) S.A.**

**Update relocation of head office and change of legal form**

Dear Investor,

We are pleased to provide you with some further detail in relation to the decision of Pictet & Cie (Europe) S.A. Luxembourg, the European bank of the Pictet Group, to relocate its legal headquarters to Frankfurt am Main, Germany.

This relocation will be done by way of a cross-border conversion from its current legal form of a Luxembourg stock corporation (société anonyme) to a German stock corporation (Aktiengesellschaft). The German entity will be legally identical with the existing Luxembourg bank and will trade under the name of Bank Pictet & Cie (Europe) AG. The cross-border conversion is planned to become effective during the first quarter of 2023. The exact date will be announced in a dedicated communication.

Upon the effectiveness of the cross-border conversion, our business in Luxembourg will be continued by the new Luxembourg branch of Bank Pictet & Cie (Europe) AG.

As discussed earlier this year, this relocation does not affect any contractual framework in place for the investment funds for which Pictet & Cie (Europe) S.A. acts as a Luxembourg domiciled Depositary Bank and continue to act as such after becoming a branch of the Frankfurt headoffice.
